Reading English News
On the Internet

A Guide to
Connectors
Verbs
Expressions &
Vocabulary

For the Japanese ESL Student

Plus tips and strategies to help make sense of
online NEWS, BUSINESS and SPORTS articles

Dr. David Petersen
For Keiko, the very definition of patience
The purpose of this book is to help Japanese ESL learners at the intermediate level with the potentially confusing turns of phrase common to English articles online, in magazines and in newspapers. ESL veterans will appreciate that while many books cover English grammar and vocabulary, there are precious few dealing specifically with idioms, “quirky” verbs, and other compound constructs from a practical perspective. My goal has been to create a workbook systematic enough to integrate easily into any classroom situation, and with sufficient explanation in Japanese to make the learning experience as efficient and painless as possible.

The text also provides a brief introduction to proverbs and other sayings that find their way into news articles from time to time.

The concept for the book originated in my experience as a Japanese translator. Working at an agency in Hiroshima, I was struck by the number of questions I was fielding from coworkers trying to make sense of English newspaper articles and other challenging documents. On closer inspection, most of the difficulties seemed to involve idioms (“on the loose”, “public outcry”) - constructs that are poorly covered in many textbooks and are difficult to look up due to their compound nature. In discussing this issue with friends and teachers it became apparent that related grammar elements such as connectors (“as...as a...”) and verbs of one type or another (“to show promise”) present similar problems for non-native speakers. I began collecting examples of the most commonly-misunderstood “offenders”, and ultimately put together the manuscript over the course of about two years.

Applications: On one level, the book functions as a simple bilingual reference to the meanings of nearly 200 connectors, phrasal verbs, idiomatic verb-phrases, and expressions. Individual sections can also be introduced a few pages at a time into almost any classroom context, gradually building English comprehension. To develop full lessons of 40 minutes or more, I would recommend supplementation with materials on mass-media, the internet, and current events. The “tips” sections on website content deal with the typical structure of online articles, and are best covered as part of a writing class with internet access. The mini-quizzes at the end
of each unit provide immediate feedback about the progress of the students, and can also serve as a template for the creation of your own tests and exams.

**Lesson Overview**
The vocabulary in this book is divided into three major sections:
- **Connectors** (“provided that”, “in spite of”) linking two or more phrases or sentences together
- **Verbs** with an emphasis on phrasal verbs (“to break out”, “to brush aside”) and idiomatic verb phrases (“to burn the midnight oil”)
- **Expressions** (“a meeting of the minds”, “a matter of time”)

Each entry is organized as follows:

**2.32 To (put) on the market**

**Meaning:** To begin selling something

市場に出ている，販売されている，新登場

**Usage:** A (person, company) puts B (product) on the market
1. The wonder drug was put on the market in Japan last June.
   *Wonder drug: 特効薬*
2. They expect her debut CD to be on the market by this autumn.
   *Debut CD: デビューCD*
3. The toy was put on the market in January, but recalled in May because of consumer complaints.
   *Recalled: 不良品回収  Consumer complaints: 消費者の苦情*

**Related expressions:**
- To be available
- To hit the shelves

**Translation of key vocabulary**
The Tips Sections
These mini-lessons deal with the nitty gritty of finding articles online, navigating a typical website, understanding differences in vocabulary and style by topic, and anticipating structure to increase reading efficiency. Each section can stand alone, but is also suitable for development as a classroom exercise, particularly if internet access is available.

TIPS 1: A list of basic computer-related terms
TIPS 2: A list of popular English-language news websites
TIPS 3: Typical vocabulary required for registration and for logging in to websites.
TIPS 4: Guide to Online News Articles
   a) The basic structure of a news articles
   b) Features of headlines, including vocabulary and style; suggestions for preparation
   c) Strategies for reading headlines
   d) Features of a byline
   e) Features of the lead, and reading strategies
   f) The body and final paragraph
TIPS 5: A list of useful business and finance websites
TIPS 6: Getting the most out of business and finance articles. Coverage includes the sections of a typical website, stock market vocabulary, a review of news-article structure, and the format of financial advice and predictions.
TIPS 7: A list of popular sporting news websites
TIPS 8: Online sporting news. This section covers the basics of a sports website, key vocabulary and writing style (emotive words), sports article structure, and the elements of sports features.
はじめに

この本は中級レベルの学習者がニュース記事を理解する上で必要な文法力、表現力、そして語彙力を自宅で学習するために作成されたガイドブックです。一般的にマスコミの記事（ネットも新聞も含む）は従来の教科書に載っている英語のスタイルとはまったく異なったスタイルを用いています。動詞は専門的で、文法は難しく（主語が省略された受動態動詞等）、そして多くの慣習的な表現があります。それうえに文章はしばしば短縮され、意味を理解する上で必要な内容に乏しくなります。一見簡単そうなフレーズの意味でさえも追加情報、知識が必要であり、これはその知識を提供するために作られた本です。

この内容は３の部分からなっています：

1. Connectors 接続詞「文接続語も含む」
2. Verbs 動詞 ［句動詞、慣用的な動詞句］
3. Idiomatic Expressions 慣用表現

各項目は英語の定義、使用法と同義語リスト、そしていくつかの例文と共に紹介されています。定義と主要な語彙は日本語でもっとも近い表現の付け加えがされていきます。例文は政治、環境、法律、仕事での上下関係などの新聞記事でしばしば載っている話題を取り上げています。各セクションにおける自己テストそして最後の総合テストが含まれていますので、学習者自身の成果と理解力を確認することができます。この本が便利なガイドブックとして役割を果たし、学習者の目標である上級英語の手助けとなれば著者として幸いです。
2.32 To put on the market

**Meaning:** To begin selling something

市場に出ている，販売されている，新登場

**Usage:** *A* (person, company) puts *B* (product) on the market

1. The wonder drug was put on the market in Japan since last June.

**Wonder drug:** 特効薬

2. They expect her debut CD to be on the market by this autumn.

**Debut CD:** デビューCD

3. The toy was put on the market in January, but recalled in May because of consumer complaints.

**Recalled:** 不良品回収 **Consumer complaints:** 消費者の苦情

**Related expressions:** To be available

To hit the shelves
